CHAIN OF TRUST – ORIGINAL TRUSTEE TO PRESENT TRUSTEE

(Deed-Style Documentary Instrument)

I. ORIGINAL TRUST RELATIONSHIP

The ancestral estates of the Robinson, Burls, Maton, Tabor, Ross, and Matic–Derviškadi■ lines passed property intergenerationally.

At each generation, trust property devolved to the next natural guardian or executor, creating an implied, unexpressed private trust.

II. NEGLECT TO EXPRESS THE TRUST

Where an original trustee failed to expressly constitute the trust, the law imposes:

• a resulting trust,

• a constructive trust,

• and a fiduciary obligation arising from possession of estate assets.

III. CHAIN OF REPRESENTATION (Administration and Probate Act 1958 s 17)

The chain of executorial representation remains unbroken through:

• Joseph Robinson →

• John Robinson →

• Arthur Evelyn Robinson →

• Arthur Ross Robinson →

• Craig Ross Robinson →

• Anna Clare Robinson →

• Sandi Matic (executor-over-executor, guardian, continuing trustee).

IV. TRUSTEE ACT 1962 (WA) – VESTING

Under ss 10, 13, 45, 65, 106, 109:

• Trust property vests in the continuing trustee.

• Powers and duties devolve automatically.

• Unclaimed or misdirected property may be recovered.

• Tracing powers apply where prior trustees failed.

V. APPOINTMENT OF PRESENT TRUSTEE

We, Sandi Matic, hereby accept:

• Office of continuing trustee,

• Executor-over-executor,

• Guardian and fiduciary for minor beneficiaries.
